Public release of the Final Report of the External Panel on Options for a Legislative Response to Carter v. Canada

https://policybase.cma.ca/en/permalink/policy11633

Type: Policy resolution
Date: 2015-Aug-26
Topics: Ethics and medical professionalism

Discussion of and access to a high-quality palliative approach to care

https://policybase.cma.ca/en/permalink/policy11639

Type: Policy resolution
Date: 2015-Aug-26
Topics: Ethics and medical professionalism
Resolution: The Canadian Medical Association will advocate that discussion of and access to a high-quality palliative approach to care be available to all Canadians, including those with life-limiting illnesses who are considering assisted death.

Accredited standards for the management of life-limiting chronic disease

https://policybase.cma.ca/en/permalink/policy11636

Type: Policy resolution
Date: 2015-Aug-26
Topics: Population health/health equity/public health
Ethics and medical professionalism
Resolution: The Canadian Medical Association supports the development and application of accredited standards for the integration of a palliative care approach into the management of life-limiting chronic disease.
Supporting consultations while developing policies, regulations and guidelines on physician-assisted dying

https://policybase.cma.ca/en/permalink/policy11635

Type: Policy resolution
Last Reviewed: 2018-Mar-03
Date: 2015-Aug-26
Topics: Ethics and medical professionalism
Resolution: The Canadian Medical Association supports consultation with the Canadian Society of Palliative Care Physicians and other relevant physician societies when policies, regulations and guidelines are developed on physician-assisted dying.

Assisted death as defined by the Supreme Court of Canada is distinct from the practice of palliative care

https://policybase.cma.ca/en/permalink/policy11611

Type: Policy resolution
Date: 2015-Aug-26
Topics: Ethics and medical professionalism
Resolution: The Canadian Medical Association recognizes that the practice of assisted death as defined by the Supreme Court of Canada is distinct from the practice of palliative care.
