Topics: Health human resources
Health systems, system funding and performance
Physician practice/ compensation/ forms
Resolution: GC09-29
The Canadian Medical Association will work with provincial/territorial medical associations (PTMAs) to urge governments to collaborate with PTMAs in the implementation of a program that will identify and manage "orphan" patients who do not have access to a family physician.
Accountability standards
https://policybase.cma.ca/en/permalink/policy10860

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Physician practice/ compensation/ forms
Ethics and medical professionalism
Resolution: GC13-41

The Canadian Medical Association supports the development of data on health care delivery and patient outcomes to help the medical profession develop an appropriateness framework and associated accountability standards provided that patient and physician confidentiality is maintained.

Accreditation Standards for Continuing Medical Education

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health human resources, Physician practice/ compensation/ forms
Resolution: GC13-102

The Canadian Medical Association will develop a suggested curriculum for advocacy skills training for medical students and residents.

Appropriateness in clinical care

https://policybase.cma.ca/en/permalink/policy10855

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Physician practice/ compensation/ forms, Health systems, system funding and performance
Resolution: GC13-36

The Canadian Medical Association believes that fiscal benefits and cost savings of exercises in accountability and appropriateness in clinical care are a by-product rather than the primary focus of these exercises.
The Canadian Medical Association affirms its support for the continued use of the arm’s-length, anonymous pre-accreditation survey as an integral component of the national system of accreditation for postgraduate medical education.
