Resolution: The Canadian Medical Association believes that all health care providers should have access to referral for palliative care services and expertise.

Training in palliative care
https://policybase.cma.ca/en/permalink/policy10894
Type: Policy resolution
Date: 2013-Aug-21
Topics: Health human resources
       Physician practice/ compensation/ forms
Resolution: The Canadian Medical Association requests that all Canadian faculties of medicine create a curriculum for training in palliative care suitable for physicians at all stages of their medical education and in appropriate settings to the locale in which they practice.
