Online continuing medical education

https://policybase.cma.ca/en/permalink/policy9892

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 2010-Aug-25
Topics: Population health/ health equity/ public health
                    Ethics and medical professionalism
                    Health information and e-health
Resolution: The Canadian Medical Association, in collaboration with provincial/territorial medical associations, calls on governments to ensure that the necessary technology is in place to guarantee that physicians in rural and remote locations have access to accredited online continuing medical education/continuing professional development.

E-health strategies
