Policy Type: Policy resolution

Date: 2015-08-26

Topics: Ethics and medical professionalism

Resolution: GC15-35

The Canadian Medical Association recognizes that the practice of assisted death as defined by the Supreme Court of Canada is distinct from the practice of palliative care.

Discussion of and access to a high- quality palliative approach to care

<https://policybase.cma.ca/en/permalink/policy11639>

Policy Type: Policy resolution
Date: 2015-08-26
Topics: Ethics and medical professionalism
Resolution: GC15-41

The Canadian Medical Association will advocate that discussion of and access to a high- quality palliative approach to care be available to all Canadians, including those with life- limiting illnesses who are considering assisted death.

Increased education and training in end- of-life care for community health care workers
