Canada Health Infoway

<https://policybase.cma.ca/en/permalink/policy8924>

Policy Type: Policy resolution
Last Reviewed: 2014-Mar-01
Date: 2007-Aug-22
Topics: Health systems, system funding and performance
Health human resources
Health information and e-health
Resolution: The Canadian Medical Association and its provincial/territorial medical associations and affiliates call on Canada Health Infoway to support physicians in developing electronic medical records and linkages to electronic health records by making funding directly available to physicians.

Electronic clinical management system

<https://policybase.cma.ca/en/permalink/policy8925>

Policy Type: Policy resolution
Last Reviewed: 2014-Mar-01
Date: 2007-Aug-22
Topics: Health systems, system funding and performance
Resolution: The Canadian Medical Association requests that the federal government provide guaranteed, long-term funding, available to all physicians for an integrated system-wide electronic clinical management system that supports information management and knowledge transfer at the point of care.

National health care database

<https://policybase.cma.ca/en/permalink/policy714>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1985-Aug-25
Topics: Health information and e-health
Resolution: The Canadian Medical Association recommends the development of a sound national health care database, accessible to health care professionals' associations and legitimate researchers.

Tools for tracking patient care costs

<https://policybase.cma.ca/en/permalink/policy709>

Policy Type: Policy resolution
Last Reviewed: 2011-Mar-05
Date: 1984-Aug-21
Topics: Health information and e-health
Resolution: That the Canadian Medical Association actively encourage the development of appropriate information systems and instruments to relate specific patient-care and components of care to their costs; and that the active involvement of physicians is essential to ensure that quality of patient care remains a central concern in the development of these management tools.
