Topics: Ethics and medical professionalism
Health information and e-health
Health care and patient safety

Resolution: GC09-47

The Canadian Medical Association will work with provincial/territorial medical associations to demand that governments recognize that the flow of information from the patient record to the electronic health records is the professional responsibility of physicians.

Sharing patient health information

<https://policybase.cma.ca/en/permalink/policy9576>

Policy Type: Policy resolution

Last Reviewed: 2016-05-20

Date: 2009-08-19

Topics: Ethics and medical professionalism

Health care and patient safety

Resolution: GC09-113

The Canadian Medical Association urges the Canada Revenue Agency to collaborate with Service Canada and Human Resources and Skills Development Canada to reduce redundant requests by sharing relevant patient health information, while at the same time respecting the privacy and confidentiality of patient records.
