Physician practice/ compensation/ forms  
Health information and e-health

Resolution: GC08-95

The Canadian Medical Association, in consultation with provincial/territorial medical associations, the College of Family Physicians of Canada and the Royal College of Physicians and Surgeons of Canada, will work with professional regulatory/licensing bodies to establish a harmonized policy environment that would support physicians who are providing telehealth care in multiple jurisdictions.

## Primary care telemedicine investments, policies and regulations

<https://policybase.cma.ca/en/permalink/policy11665>

Policy Type: Policy resolution  
Date: 2015-08-26  
Topics: Health systems, system funding and performance  
Health information and e-health  
Resolution: GC15-86  
The Canadian Medical Association recommends that primary care telemedicine investments, policies and regulations support comprehensive and continuous patient-centred care.

## Professional development as part of CMA e-strategy
