Physician practice/ compensation/ forms
Health information and e-health

Resolution: GC08-95

The Canadian Medical Association, in consultation with provincial/territorial medical associations, the College of Family Physicians of Canada and the Royal College of Physicians and Surgeons of Canada, will work with professional regulatory/licensing bodies to establish a harmonized policy environment that would support physicians who are providing telehealth care in multiple jurisdictions.

Funding criteria for any new electronic medical record initiative

<https://policybase.cma.ca/en/permalink/policy11925>

Policy Type: Policy resolution

Date: 2016-08-24

Topics: Health systems, system funding and performance
Health information and e-health

Resolution: GC16-50

The Canadian Medical Association recommends that funding criteria for any new electronic medical record initiative include the ability for patients to access and contribute to their record.

Professional development as part of CMA e-strategy
