Resolution: The Canadian Medical Association supports mandatory training on organ donation for medical students and residents at all Canadian medical schools.

## Public release of the Final Report of the External Panel on Options for a Legislative Response to Carter v. Canada

<https://policybase.cma.ca/en/permalink/policy11633>

Policy Type: Policy resolution  
Date: 2015-Aug-26  
Topics: Ethics and medical professionalism  
Resolution: The Canadian Medical Association calls for the unconditional public release of the Final Report of the External Panel on Options for a Legislative Response to Carter v. Canada upon its completion.

## Supporting consultations while developing policies, regulations and guidelines on physician-assisted dying

<https://policybase.cma.ca/en/permalink/policy11635>

Policy Type: Policy resolution  
Last Reviewed: 2018-Mar-03  
Date: 2015-Aug-26  
Topics: Ethics and medical professionalism  
Resolution: The Canadian Medical Association supports consultation with the Canadian Society of Palliative Care Physicians and other relevant physician societies when policies, regulations and guidelines are developed on physician-assisted dying.

## Medical certification of death forms in cases involving physician-assisted death

<https://policybase.cma.ca/en/permalink/policy11638>

Policy Type:	Policy resolution
Last Reviewed:	2018-Mar-03
Date:	2015-Aug-26
Topics:	Ethics and medical professionalism
Resolution:	The Canadian Medical Association supports the development of pan-Canadian guidelines for physicians on the terminology to be used when completing medical certification of death forms in cases involving physician-assisted death.

## Discussion of and access to a high- quality palliative approach to care

<https://policybase.cma.ca/en/permalink/policy11639>

Policy Type:	Policy resolution
Date:	2015-Aug-26
Topics:	Ethics and medical professionalism
Resolution:	The Canadian Medical Association will advocate that discussion of and access to a high- quality palliative approach to care be available to all Canadians, including those with life- limiting illnesses who are considering assisted death.

## Health care needs of individuals who identify themselves as lesbian, gay, bisexual, transgender and/or queer

<https://policybase.cma.ca/en/permalink/policy11645>

Policy Type:	Policy resolution
Date:	2015-Aug-26
Topics:	Ethics and medical professionalism
Resolution:	The Canadian Medical Association will promote the development of clinical tools to assist physicians and physicians-in-training improve their understanding of the specific health care needs of individuals who identify themselves as lesbian, gay, bisexual, transgender and/or queer.

## Creation of a specific criminal offence to assault health care providers performing their duties

<https://policybase.cma.ca/en/permalink/policy11656>

Policy Type: Policy resolution  
Date: 2015-Aug-26  
Topics: Ethics and medical professionalism  
Resolution: The Canadian Medical Association calls on the federal government to amend the Criminal Code by making it a specific criminal offence to assault health care providers performing their duties.
