Topics: Health human resources

Health systems, system funding and performance

Resolution: GC08-51

The Canadian Medical Association, while recognizing the need for better management of chronic illnesses and vulnerable populations, considers that such an emphasis should not be detrimental to the efforts aimed at guaranteeing access to family physicians.

Pay-for-performance programs

Health human resources

Physician practice/ compensation/ forms

Resolution: GC08-98

The Canadian Medical Association will work with provincial/territorial medical associations to inform faculties of medicine, provincial/territorial ministries of health and regional health authorities that the linking of hospital privileges of attending physicians to the requirement to teach and conduct research is unacceptable.

National licensing of physicians
