Health systems, system funding and performance
Physician practice/ compensation/ forms

Resolution: GC08-21

The Canadian Medical Association urges Canadian medical schools to include in their curricula material related to the deleterious effect of negative stereotyping of Aboriginal peoples suffering from mental illnesses and substance use disorders.

Access to medical information

<https://policybase.cma.ca/en/permalink/policy9280>

Policy Type: Policy resolution

Last Reviewed: 2020-Feb-29

Date: 2008-Aug-20

Topics: Ethics and medical professionalism
Health information and e-health

Resolution: GC08-113

The Canadian Medical Association objects to the current practice of insurers, employers and other third parties requesting and gaining access to unlimited medical information obtained as a result of patients signing forms that grant unrestricted 'consent for release of medical information' when claiming eligibility for disability benefits.

Accreditation Standards for Continuing Medical Education
