

## Access to health care services for language minorities

<https://policybase.cma.ca/en/permalink/policy767>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1997-Aug-20
Topics:	Health care and patient safety
Resolution:	The Canadian Medical Association, in conjunction with provincial/territorial medical associations, encourages all levels of government to ensure that public health care facilities provide language minorities with reasonable community access to health care services in their first language.

## Accreditation

<https://policybase.cma.ca/en/permalink/policy551>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1974-Jun-26
Topics:	Health human resources
Resolution:	Whereas the profession has in the past demonstrated an interest in accreditation of certain institutions involved in the delivery of medical services, and whereas the profession is currently demonstrating an interest in the matter of encouraging the establishment of minimum standards of professional practice in the office setting, and whereas the acknowledged purposes of such standards of accreditation are to facilitate peer review and continuing professional education, and whereas the profession has demonstrated its willingness to participate in such voluntary self assessment procedures, Be it resolved that the Canadian Medical Association accept the principle of practice accreditation and continue to search for acceptable methods of practice assessment and accreditation and encourage each of its divisions to establish or enjoin committees to examine the matter of office practice accreditation, with a view to establishing procedural guidelines and standards for their various regions.

## Alcohol consumption and health

<https://policybase.cma.ca/en/permalink/policy485>

Policy Type:	Policy resolution
Last Reviewed:	2019-Mar-03
Date:	1988-Aug-24
Topics:	Population health/ health equity/ public health
Resolution:	That the Canadian Medical Association take a leadership role by action and example in educating the public about the level of alcohol consumption which may be hazardous to health.

## Clinical traineeships

<https://policybase.cma.ca/en/permalink/policy501>

Policy Type:	Policy resolution
Last Reviewed:	2019-Mar-03
Date:	1988-Aug-24
Topics:	Health human resources
Resolution:	That faculties of medicine in consultation with regional or community hospitals be encouraged to develop clinical trainee ships to provide academic opportunities for physicians in these hospitals and continuing medical education options, particularly for physicians practising in non-urban areas.

## Evidence and stakeholder involvement in the development of health policy

<https://policybase.cma.ca/en/permalink/policy580>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1997-Aug-20
Topics:	Ethics and medical professionalism
Resolution:	That evidence-based approaches and wide stakeholder involvement are essential in the development and implementation of public policies designed to improve the health of the population both collectively and individually.

## Evidence-based health-impact analysis and policy development

<https://policybase.cma.ca/en/permalink/policy582>
