## Factors affecting physician incomes

<https://policybase.cma.ca/en/permalink/policy698>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1972-Jun-16  
Topics: Physician practice/ compensation/ forms  
Resolution: GC72-71

Whereas there are many factors which have an effect on medical incomes such as working life time of physicians, morbidity and mortality of physicians, income distribution curves, varying work loads etc., the precise effect of which has not as yet been measured in specific studies: Be it resolved that the Canadian Medical Association encourage, initiate and participate in such studies through its councils and divisions and give encouragement and assistance to those who are willing to carry out such studies.
