Topics: Health human resources
Physician practice/ compensation/ forms
Population health/ health equity/ public health

Resolution: GC06-82

The Canadian Medical Association, working with its divisions and affiliates, in cooperation with Aboriginal associations, calls for medical schools to develop courses to educate physicians on: a) the history and culture of Aboriginal peoples in Canada, b) communication skills to enhance their care of Aboriginal patients, and c) their response to health issues of particular concern to Aboriginal patients and their communities.

Access to pediatric palliative care

<https://policybase.cma.ca/en/permalink/policy8504>

Policy Type: Policy resolution

Last Reviewed: 2013-Mar-02

Date: 2006-Aug-23

Topics: Population health/ health equity/ public health
Health systems, system funding and performance

Resolution: GC06-12

The Canadian Medical Association calls upon the federal government, in cooperation with provincial and territorial governments, to improve access to pediatric palliative care through enhanced funding, training and awareness campaigns.

Access to public long-term care homes

<https://policybase.cma.ca/en/permalink/policy11906>

Policy Type: Policy resolution

Date: 2016-Aug-24

Topics: Health systems, system funding and performance
Population health/ health equity/ public health

Resolution: GC16-35

The Canadian Medical Association will raise the federal government's awareness of the inequitable access to public long-term care homes that is experienced by patients with financial, cultural and/or linguistic barriers.

Advertising of high-calorie and nutrient-poor food

<https://policybase.cma.ca/en/permalink/policy8527>
