Resident principles on physician health human resources to better serve Canadians

<https://policybase.cma.ca/en/permalink/policy11696>

Policy Type:	Policy resolution
Last Reviewed:	2019-Mar-03
Date:	2013-Aug-21
Topics:	Ethics and medical professionalism Physician practice/ compensation/ forms Health systems, system funding and performance
Resolution:	The Canadian Medical Association supports the six guiding principles in the Canadian Association of Internes and Residents' "Resident Principles on Physician Health Human Resources to Better Serve Canadians" informing the realignment of the postgraduate medical education system supporting a national strategy to meet future societal health care needs.

Projection models for health human resources

<https://policybase.cma.ca/en/permalink/policy10845>

Policy Type:	Policy resolution
Date:	2013-Aug-21
Topics:	Health systems, system funding and performance
Resolution:	The Canadian Medical Association supports supply-and-demand projection models for health human resources using standardized methodology.

Using untapped infrastructure resources to meet health care needs

<https://policybase.cma.ca/en/permalink/policy10849>

Policy Type:	Policy resolution
Date:	2013-Aug-21
Topics:	Health systems, system funding and performance Health human resources
Resolution:	The Canadian Medical Association supports strategies that will utilize untapped health infrastructure resources to better meet Canadians' health care needs.

Clinical practice variation

<https://policybase.cma.ca/en/permalink/policy10853>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health human resources
Physician practice/ compensation/ forms
Health systems, system funding and performance
Resolution: The Canadian Medical Association will advocate for adequate physician input in the selection of evidence used to address costs and quality related to clinical practice variation.

Access to comprehensive psychiatric assessment

<https://policybase.cma.ca/en/permalink/policy10854>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Resolution: The Canadian Medical Association will work with stakeholders to develop standardized processes to ensure access to comprehensive psychiatric assessment and treatment for people detained within the correctional system.

Appropriateness in clinical care

<https://policybase.cma.ca/en/permalink/policy10855>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Physician practice/ compensation/ forms
Health systems, system funding and performance
Resolution: The Canadian Medical Association believes that fiscal benefits and cost savings of exercises in accountability and appropriateness in clinical care are a by-product rather than the primary focus of these exercises.

Appropriateness in clinical care

<https://policybase.cma.ca/en/permalink/policy10856>

Policy Type:	Policy resolution
Date:	2013-Aug-21
Topics:	Population health/ health equity/ public health Health systems, system funding and performance
Resolution:	The Canadian Medical Association adopts the following definition for appropriateness in health care: It is the right care, provided by the right providers, to the right patient, in the right place, at the right time, resulting in optimal quality care.

Clinical tests and interventions

<https://policybase.cma.ca/en/permalink/policy10857>

Policy Type:	Policy resolution
Date:	2013-Aug-21
Topics:	Health systems, system funding and performance Health care and patient safety
Resolution:	The Canadian Medical Association will form a collaborative working group to develop specialty-specific lists of clinical tests/interventions and procedures for which benefits have generally not been shown to exceed the risks.

Accountability standards

<https://policybase.cma.ca/en/permalink/policy10860>

Policy Type:	Policy resolution
Date:	2013-Aug-21
Topics:	Health systems, system funding and performance Physician practice/ compensation/ forms Ethics and medical professionalism
Resolution:	The Canadian Medical Association supports the development of data on health care delivery and patient outcomes to help the medical profession develop an appropriateness framework and associated accountability standards provided that patient and physician confidentiality is maintained.

Family caregivers

<https://policybase.cma.ca/en/permalink/policy10872>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Resolution: The Canadian Medical Association advocates for a national standard of support for the family caregivers of individuals living with mental and physical disabilities.

Extreme weather events

<https://policybase.cma.ca/en/permalink/policy10873>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Resolution: The Canadian Medical Association will advocate for more federal assistance to support ongoing, systematic efforts to mitigate, prevent, respond to and recover from extreme weather events and their consequences on human health.

Palliative care services

<https://policybase.cma.ca/en/permalink/policy10874>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Resolution: The Canadian Medical Association advocates for the integration of accessible quality palliative care services into community and chronic care service delivery models.

National triage guidelines

<https://policybase.cma.ca/en/permalink/policy10877>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Resolution: The Canadian Medical Association will support the establishment of national triage guidelines for prioritizing magnetic resonance imaging appointments.

Changes to the scope of practice for allied health professionals

<https://policybase.cma.ca/en/permalink/policy10880>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Resolution: The Canadian Medical Association encourages that changes to the scope of practice for allied health professionals occur only in the presence of a defined, transparent evaluation process that is based on clinical criteria and protects patient safety.

Collaborative palliative care model

<https://policybase.cma.ca/en/permalink/policy10883>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Resolution: The Canadian Medical Association supports the implementation of a collaborative palliative care model.

Inclusion of health as a required consideration in decision-making by the federal Cabinet

<https://policybase.cma.ca/en/permalink/policy10901>

Policy Type: Policy resolution

Date: 2013-Aug-21

Topics: Health systems, system funding and performance

Resolution: The Canadian Medical Association will advocate for the inclusion of health as a required consideration in decision-making by the federal Cabinet.
