Resolution: GC10-102

The Canadian Medical Association urges the federal government to make a public commitment to keep the Chalk River National Research Universal reactor operational for as long as necessary beyond the announced date of 2016 and until secure alternative supplies of isotopes or alternative radiopharmaceuticals are proven and available.

## Essential drugs for the exclusive use of developing countries

Population health/ health equity/ public health  
Resolution: GC00-221

The CMA calls on governments and pharmaceutical manufacturers in Canada to ensure a supply of essential drugs for the exclusive use of developing countries, and to offset the numerous barriers hindering access to these drugs.
