## Evolving patient-physician relationship

<https://policybase.cma.ca/en/permalink/policy581>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1997-Aug-20
Topics:	Population health/ health equity/ public health Health systems, system funding and performance Ethics and medical professionalism
Resolution:	That the Canadian Medical Association explore the changing relationships of physicians with their patients and communities related to the expanding role of patients in decision-making and self-care.

## Evidence-based health-impact analysis and policy development

<https://policybase.cma.ca/en/permalink/policy582>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1997-Aug-20
Topics:	Health systems, system funding and performance Ethics and medical professionalism
Resolution:	That the Canadian Medical Association and its Divisions urge government to establish a framework to ensure that the development and implementation of public policy is guided by evidence-based health-impact analysis.

## Patient accountability and responsibility

<https://policybase.cma.ca/en/permalink/policy587>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1997-Aug-20
Topics:	Health systems, system funding and performance Ethics and medical professionalism
Resolution:	That the Canadian Medical Association study ways in which the role of patient accountability and responsibility can be incorporated into models of health care.

## Health care restructuring funding and service delivery models

<https://policybase.cma.ca/en/permalink/policy679>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1997-Aug-20
Topics:	Health systems, system funding and performance
Resolution:	That the Canadian Medical Association framework for physician involvement in possible new models of funding, management and delivery of health care include the following principle: All new funding and service delivery models, including rostering, should be voluntary and negotiated exclusively with physicians.

## Medicare funding

<https://policybase.cma.ca/en/permalink/policy680>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1997-Aug-20
Topics:	Health systems, system funding and performance
Resolution:	That the Canadian Medical Association declare that the current level of funding of the Canadian medicare system is inadequate, resulting in a reduction in the quality of care in Canada.

## Medicare funding

<https://policybase.cma.ca/en/permalink/policy681>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1997-Aug-20  
Topics: Health systems, system funding and performance  
Resolution: That the Canadian Medical Association deplore the needless suffering of Canadians caused by underfunding of the medicare system.

## Health care restructuring and changing demographics

<https://policybase.cma.ca/en/permalink/policy682>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1997-Aug-20  
Topics: Health systems, system funding and performance  
Resolution: That new models of health care funding and delivery must take into account the effects of the changing demographics of providers and patients and the effects these changes will have on the evolution of the health care system.

## Health care funding

<https://policybase.cma.ca/en/permalink/policy683>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1997-Aug-20  
Topics: Health systems, system funding and performance  
Resolution: That the Canadian Medical Association challenge the federal government to fund the health care system at a level sufficient to meet the health care needs of Canadians.

## Health care funding for patient care

<https://policybase.cma.ca/en/permalink/policy684>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1997-Aug-20  
Topics: Health systems, system funding and performance  
Resolution: That any future increase in health care funding should be largely devoted to direct patient care.

## Health care funding and determinants of health

<https://policybase.cma.ca/en/permalink/policy685>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1997-Aug-20  
Topics: Health systems, system funding and performance  
Population health/ health equity/ public health  
Resolution: That the Canadian Medical Association affirm with the provincial and territorial governments that funding for programs focusing on the determinants of health not adversely affect the level of funding of health care services.

## Ambulance services

<https://policybase.cma.ca/en/permalink/policy786>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1975-Jun-25
Topics:	Health human resources Health systems, system funding and performance
Resolution:	The Canadian Medical Association, recognizing the vital role of ambulance services in providing mobile life support for the acutely ill and injured, recommends that i) ambulance services be considered, where practicable, a direct extension of a hospital emergency department and integrated with the emergency services, ii) ambulance services incorporate standards of personnel education, vehicular design and life support equipment commensurate with those of the overall emergency care system.

## Provincial health advisory councils

<https://policybase.cma.ca/en/permalink/policy700>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1973-Jun-16
Topics:	Health systems, system funding and performance
Resolution:	That in each province there be established a health advisory council to advise government in matters relating to health facilities and provision of health care services throughout the province, and that on this council there be representation from the provincial division of the Canadian Medical Association.
