Family physicians

<https://policybase.cma.ca/en/permalink/policy9849>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 2010-Aug-25
Topics: Ethics and medical professionalism
Health human resources
Resolution: The Canadian Medical Association will promote the significant role that family physicians play in securing the sustainability of the health care system through patient attachment.

Multidisciplinary care initiatives

<https://policybase.cma.ca/en/permalink/policy9863>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	2010-Aug-25
Topics:	Health systems, system funding and performance Ethics and medical professionalism Health human resources
Resolution:	The Canadian Medical Association supports the development of multidisciplinary care initiatives that incorporate long-term, sustainable funding and resources that remove financial barriers to incorporating diverse allied health professionals within medical practices.

Compensation models

Topics: Health human resources

Health systems, system funding and performance

Resolution: The Canadian Medical Association and its divisions and affiliates call on the Federal/Provincial/Territorial Conference of Health Ministers to ensure that all Canadians have timely access to the comprehensive spectrum of medically necessary care by developing, through an open and consultative process, a policy framework that includes: a) a national human resources plan; b) national wait time benchmarks; c) a patient wait time guarantee supported by a publicly funded safety valve; and d) a regulatory regime to best support the public-private interface.

Pan-Canadian medically determined wait time benchmarks

<https://policybase.cma.ca/en/permalink/policy8512>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Health systems, system funding and performance Health human resources
Resolution:	The Canadian Medical Association, in conjunction with provincial and territorial divisions, will build on the work of the Wait Time Alliance by establishing pan-Canadian medically determined wait time benchmarks for all major diagnostic, therapeutic, surgical and emergency services by December 31, 2007.

Medical education

<https://policybase.cma.ca/en/permalink/policy8519>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Health human resources Health systems, system funding and performance
Resolution:	The Canadian Medical Association supports the principle that physicians practising in all settings must be appropriately trained for the scope of practice in which they are engaged.

Professionals who work with children and youth afflicted with developmental or mental health problems

<https://policybase.cma.ca/en/permalink/policy8529>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Health human resources Population health/ health equity/ public health
Resolution:	The Canadian Medical Association recommends that the professionals who work with children and youth afflicted with developmental or mental health problems are subject to strict regulations concerning their qualifications and maintenance of competence.

Canadian residency matching process

<https://policybase.cma.ca/en/permalink/policy8549>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Health human resources Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association urges that a transparent and timely consultation process, inclusive of all stakeholders including medical schools, students, residents, professional associations and government/organizations funding those positions, be followed prior to implementation of any changes to the Canadian residency matching process.

Medical schools placing trainees

<https://policybase.cma.ca/en/permalink/policy8550>

Policy Type: Policy resolution

Last Reviewed: 2013-Mar-02

Date: 2006-Aug-23

Topics: Health human resources
Ethics and medical professionalism

Resolution: The Canadian Medical Association urges medical schools placing trainees in overlapping geographic areas to coordinate these placements cooperatively to ensure appropriate learning opportunities for trainees.

Economic burden of medical education

<https://policybase.cma.ca/en/permalink/policy8556>

Policy Type: Policy resolution

Last Reviewed: 2013-Mar-02

Date: 2006-Aug-23

Topics: Health human resources
Physician practice/ compensation/ forms
Health systems, system funding and performance

Resolution: The Canadian Medical Association, working with its divisions and affiliates, will continue efforts to reduce the economic burden of medical education by advocating for interest-free government loans, regulation of tuition costs, expansion of bursaries and scholarships, financial assistance for residents in need, and education on debt avoidance and management strategies.
