## Age to operate dirt bikes, all-terrain vehicles and snowmobiles

<https://policybase.cma.ca/en/permalink/policy11685>

Policy Type: Policy resolution  
Last Reviewed: 2018-Mar-03  
Date: 2006-Aug-23  
Topics: Population health/ health equity/ public health  
Resolution: The Canadian Medical Association calls on governments to prohibit anyone under age 16 from operating dirt bikes, all-terrain vehicles and snowmobiles.

## National Children's Health Strategy

<https://policybase.cma.ca/en/permalink/policy8501>

Policy Type: Policy resolution  
Last Reviewed: 2013-Mar-02  
Date: 2006-Aug-23  
Topics: Population health/ health equity/ public health  
Health systems, system funding and performance  
Resolution: The Canadian Medical Association calls on all levels of government to work with parents, families, health professionals and educators to develop and commit to National Health Goals and Targets and a National Children's Health Strategy.

## The health status of Aboriginal children

<https://policybase.cma.ca/en/permalink/policy8503>

Policy Type: Policy resolution  
Last Reviewed: 2013-Mar-02  
Date: 2006-Aug-23  
Topics: Population health/ health equity/ public health  
Health care and patient safety  
Resolution: The Canadian Medical Association calls on the Minister of Health to work with other federal departments, the CMA and others to address the failure of previous federal efforts to raise the health status of Aboriginal children to the national level by developing a differentiated children's health strategy, creating safe environments, developing equitable educational opportunities and creating effective programs to deal with obesity, diabetes, substance abuse and other issues.

## Access to pediatric palliative care

<https://policybase.cma.ca/en/permalink/policy8504>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Population health/ health equity/ public health Health systems, system funding and performance
Resolution:	The Canadian Medical Association calls upon the federal government, in cooperation with provincial and territorial governments, to improve access to pediatric palliative care through enhanced funding, training and awareness campaigns.

## Data on maternal morbidity and mortality and infant births and deaths

Date:	2006-Aug-23
Topics:	Health systems, system funding and performance Pharmaceuticals/ prescribing/ cannabis/ marijuana/ drugs Population health/ health equity/ public health
Resolution:	The Canadian Medical Association endorses all of the recommendations pertaining to children's mental health in the Senate report, Out of the Shadows at Last - Transforming Mental Health, Mental Illness and Addiction Services in Canada.

## Access to the comprehensive spectrum of medically necessary care

<https://policybase.cma.ca/en/permalink/policy8508>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Health human resources Health systems, system funding and performance
Resolution:	The Canadian Medical Association and its divisions and affiliates call on the Federal/Provincial/Territorial Conference of Health Ministers to ensure that all Canadians have timely access to the comprehensive spectrum of medically necessary care by developing, through an open and consultative process, a policy framework that includes: a) a national human resources plan; b) national wait time benchmarks; c) a patient wait time guarantee supported by a publicly funded safety valve; and d) a regulatory regime to best support the public-private interface.

## CMA's 10 Principles for the Future of Health Care

<https://policybase.cma.ca/en/permalink/policy8509>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Population health/ health equity/ public health Health systems, system funding and performance
Resolution:	The Canadian Medical Association and its divisions and affiliates urge patients, health care providers and governments to use the CMA's 10 Principles for the Future of Health Care as a framework to assess any proposals that are intended to enhance timely access to medically necessary diagnosis and treatment.

## Pan-Canadian medically determined wait time benchmarks

<https://policybase.cma.ca/en/permalink/policy8512>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Health systems, system funding and performance Health human resources
Resolution:	The Canadian Medical Association, in conjunction with provincial and territorial divisions, will build on the work of the Wait Time Alliance by establishing pan-Canadian medically determined wait time benchmarks for all major diagnostic, therapeutic, surgical and emergency services by December 31, 2007.

## Canada's publicly funded health care system

<https://policybase.cma.ca/en/permalink/policy8515>

Policy Type: Policy resolution  
Last Reviewed: 2013-Mar-02  
Date: 2006-Aug-23  
Topics: Health systems, system funding and performance  
Resolution: The Canadian Medical Association will develop specific recommendations that acknowledge the strengths of Canada's publicly funded health care system and that identify reforms within the publicly funded system to improve health care for all Canadians.

## Canadians' access to a full range of medically necessary health services

<https://policybase.cma.ca/en/permalink/policy8517>

Policy Type: Policy resolution  
Last Reviewed: 2013-Mar-02  
Date: 2006-Aug-23  
Topics: Health systems, system funding and performance  
Resolution: The Canadian Medical Association calls on the Canadian Institute for Health Information to report on the comparability of Canadians' access to a full range of medically necessary health services across the provinces and territories.

## Funding and delivery of long-term care in Canada

<https://policybase.cma.ca/en/permalink/policy8518>

Policy Type: Policy resolution  
Last Reviewed: 2013-Mar-02  
Date: 2006-Aug-23  
Topics: Health systems, system funding and performance  
Resolution: The Canadian Medical Association will develop a discussion paper with policy principles and a full range of options for the funding and delivery of long-term care in Canada.

## Medical education

<https://policybase.cma.ca/en/permalink/policy8519>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Health human resources Health systems, system funding and performance
Resolution:	The Canadian Medical Association supports the principle that physicians practising in all settings must be appropriately trained for the scope of practice in which they are engaged.

## Insurance fund of last resort

<https://policybase.cma.ca/en/permalink/policy8520>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Population health/ health equity/ public health Pharmaceuticals/ prescribing/ cannabis/ marijuana/ drugs
Resolution:	The Canadian Medical Association urges governments to create an insurance fund of last resort to provide financial relief to parents for the catastrophic cost of drugs and other health care services provided to children as part of an accepted treatment protocol for childhood illnesses and disorders when not covered by public insurance.
