

## Mentoring women physicians interested in organized medicine

<https://policybase.cma.ca/en/permalink/policy1664>

Policy Type: Policy resolution  
Last Reviewed: 2019-Mar-03  
Date: 1997-Dec-06  
Topics: Population health/ health equity/ public health  
Resolution: That the Canadian Medical Association encourage current council, committee and board members to undertake a mentoring role to those women who have expressed an interest in becoming involved in organized medicine.

## Principles for the development, use and evaluation of health care databases

<https://policybase.cma.ca/en/permalink/policy579>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1997-Aug-20  
Topics: Health information and e-health  
Ethics and medical professionalism  
Resolution: That physicians, through the Canadian Medical Association, its Divisions and affiliates, should be involved in delineating principles to guide the development, use and evaluation of databases that provide linkages between health care utilization, socioeconomic status and other determinants of health and health status.

## Evidence and stakeholder involvement in the development of health policy

<https://policybase.cma.ca/en/permalink/policy580>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1997-Aug-20
Topics:	Ethics and medical professionalism
Resolution:	That evidence-based approaches and wide stakeholder involvement are essential in the development and implementation of public policies designed to improve the health of the population both collectively and individually.

## Evolving patient-physician relationship

<https://policybase.cma.ca/en/permalink/policy581>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1997-Aug-20
Topics:	Population health/ health equity/ public health Health systems, system funding and performance Ethics and medical professionalism
Resolution:	That the Canadian Medical Association explore the changing relationships of physicians with their patients and communities related to the expanding role of patients in decision-making and self-care.

## Evidence-based health-impact analysis and policy development

<https://policybase.cma.ca/en/permalink/policy582>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1997-Aug-20  
Topics: Health systems, system funding and performance  
Ethics and medical professionalism  
Resolution: That the Canadian Medical Association and its Divisions urge government to establish a framework to ensure that the development and implementation of public policy is guided by evidence-based health-impact analysis.

## Patient accountability and responsibility

<https://policybase.cma.ca/en/permalink/policy587>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1997-Aug-20  
Topics: Health systems, system funding and performance  
Ethics and medical professionalism  
Resolution: That the Canadian Medical Association study ways in which the role of patient accountability and responsibility can be incorporated into models of health care.

## Goods and Services tax (GST)

<https://policybase.cma.ca/en/permalink/policy670>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1997-Aug-20  
Topics: Physician practice/ compensation/ forms  
Resolution: That General Council support the continuation of an aggressive strategy at the federal level aimed at establishing equitable application of federal GST/HST tax policy.

## Health care restructuring funding and service delivery models

<https://policybase.cma.ca/en/permalink/policy679>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1997-Aug-20  
Topics: Health systems, system funding and performance  
Resolution: That the Canadian Medical Association framework for physician involvement in possible new models of funding, management and delivery of health care include the following principle: All new funding and service delivery models, including rostering, should be voluntary and negotiated exclusively with physicians.

## Medicare funding

<https://policybase.cma.ca/en/permalink/policy680>
