Definition of reproductive health

<https://policybase.cma.ca/en/permalink/policy588>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1995-Dec-03
Topics:	Ethics and medical professionalism
Resolution:	That the Canadian Medical Association endorse the definition of reproductive health as specified in Section 96, page 36 of the United Nations' Fourth World Conference on Women, Beijing 1995, Platform for Action document. [The human rights of women include their right to have control over and decide freely and responsibly on matters related to their sexuality, including sexual and reproductive health, free of coercion, discrimination and violence. Equal relationships between women and men in matters of sexual relations and reproduction, including full respect for the integrity of the person, require mutual respect, consent and shared responsibility for sexual behaviour and its consequences.]

Practice management strategy

<https://policybase.cma.ca/en/permalink/policy569>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1995-Oct-14
Topics:	Population health/ health equity/ public health
Resolution:	That the Canadian Medical Association develop a complete practice management strategy that will address the physician's needs in areas of: 1. Professional Development (including PMI, Leadership Conference); 2. Office Automation (training physicians to deal with the rapidly changing technologies, including hardware requirements/options, new software developments, the paperless office, online applications, etc.). 3. Health Reform (assisting physicians in dealing with practice issues that arise out of the changes being implemented by provincial/territorial governments); 4. Personal Financial Services; 5. Practice Counselling for New Physicians (establishing a new practice, including type of practice (solo, group), the pros and cons of legal and tax implications, office design, etc.); 6. Audit process for Established Physicians (to allow established physicians to effectively evaluate their current practice and identify opportunities for greater efficiencies).

Health care system management education and research

<https://policybase.cma.ca/en/permalink/policy526>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1995-Aug-16
Topics:	Health human resources Health systems, system funding and performance
Resolution:	That the education of physicians in health care system management must be fostered and research in the management of health care systems must be increased.
