## Canada Health Access Fund

<https://policybase.cma.ca/en/permalink/policy1490>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 2004-Aug-18  
Topics: Health human resources  
Health systems, system funding and performance  
Resolution: The Canadian Medical Association calls on the federal and provincial/territorial governments to establish a Canada Health Access Fund to assure that individual Canadians can obtain portable and timely access to care at the time and to the extent of their needs.

## Wait time protocols and benchmarks

<https://policybase.cma.ca/en/permalink/policy1491>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2004-Aug-18

Topics: Ethics and medical professionalism

Health human resources

Health systems, system funding and performance

Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association will ensure that practising physicians are involved in the development of wait time protocols and benchmarks that are based on the available evidence, that are administratively straightforward and that are satisfactory to the needs of patients and physicians.

## Increasing the number of family physicians

<https://policybase.cma.ca/en/permalink/policy1494>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2004-Aug-18

Topics: Health human resources

Health systems, system funding and performance

Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association calls on federal, provincial and territorial governments to work together to expand the number of comprehensive family physicians across Canada through the combined approach of training, recruitment and retention initiatives that are incentive based and developed with the input of actively practicing physicians.

## Interest-free postponement of student loan debt during residency

<https://policybase.cma.ca/en/permalink/policy1497>

|                |   |
|----------------|---|
| Policy Type:   | Policy resolution   |
| Last Reviewed: | 2017-Mar-04   |
| Date:          | 2004-Aug-18   |
| Topics:        | Health human resources  |
| Resolution:    | The Canadian Medical Association, in conjunction with the Canadian Federation of Medical Students, the Canadian Association of Internes and Residents, the Fédération des étudiants en médecine du Québec and the Fédération des médecins résidents du Québec, advocates the federal government to modify relevant federal law in order to postpone federal student loan debt repayment while maintaining interest-free loan status until the completion of the residency period. |
