## Patient bill of health information rights

<https://policybase.cma.ca/en/permalink/policy9498>

Policy Type: Policy resolution  
Last Reviewed: 2016-May-20  
Date: 2009-Aug-19  
Topics: Health care and patient safety  
Health information and e-health  
Ethics and medical professionalism  
Resolution: The Canadian Medical Association and provincial/territorial medical associations call on governments to engage patients and the public in the development of a patient bill of health information rights that sets out a vision for the governance of patient health information.

## Evaluation of the impact of health information technology

<https://policybase.cma.ca/en/permalink/policy9505>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Health systems, system funding and performance Health information and e-health
Resolution:	The Canadian Medical Association and provincial/territorial medical associations call on governments to ensure completion of an evaluation of the impact of health information technology that considers the level of functionality and assesses its effect on patient and provider experience of care, population health and per capita costs.

## Pay for performance and quality measures in family medicine

<https://policybase.cma.ca/en/permalink/policy9511>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Health human resources Ethics and medical professionalism Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association will develop a discussion paper on international experience and research related to pay for performance and quality measures in family medicine.

## Training and support for physicians in addiction medicine

<https://policybase.cma.ca/en/permalink/policy9524>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Health human resources Pharmaceuticals/ prescribing/ cannabis/ marijuana/ drugs Ethics and medical professionalism
Resolution:	The Canadian Medical Association calls on national and provincial/territorial medical education and licensing bodies to expand training and support for physicians in addiction medicine, including formal recognition of special skills and improved training and support opportunities for primary care physicians.

## Immunization of physicians and other health care providers

<https://policybase.cma.ca/en/permalink/policy9530>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Population health/ health equity/ public health Ethics and medical professionalism Health human resources
Resolution:	The Canadian Medical Association encourages all physicians and other health care providers to be immunized for influenza annually.

## Access to a family physician

<https://policybase.cma.ca/en/permalink/policy9534>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health human resources  
Health systems, system funding and performance  
Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations (PTMAs) to urge governments to collaborate with PTMAs in the implementation of a program that will identify and manage "orphan" patients who do not have access to a family physician.

## Wait-time benchmarks for accessing home and community care services

<https://policybase.cma.ca/en/permalink/policy9535>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health systems, system funding and performance  
Health human resources

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations, affiliates, associates and other stakeholders to develop and implement wait-time benchmarks for accessing home and community care services.

## Assessment of payment arrangements

<https://policybase.cma.ca/en/permalink/policy9540>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Health systems, system funding and performance Health information and e-health
Resolution:	The Canadian Medical Association will work with provincial/territorial medical associations to carry out an inventory and assessment of the payment arrangements across Canada that foster the emergence of new practice models based on an interdisciplinary approach and the use of new information technologies.

## Electronic health records

<https://policybase.cma.ca/en/permalink/policy9543>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Ethics and medical professionalism Health information and e-health Health care and patient safety
Resolution:	The Canadian Medical Association will work with provincial/territorial medical associations to demand that governments recognize that the flow of information from the patient record to the electronic health records is the professional responsibility of physicians.

## Change initiatives in health care

<https://policybase.cma.ca/en/permalink/policy9544>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism  
Health systems, system funding and performance  
Health human resources

Resolution: The Canadian Medical Association will incorporate in its Toward a Blueprint for Health Care Transformation: A Framework for Action a call on all levels of governments to ensure that change initiatives in health care be clinically driven from inception to implementation and include appropriate physician representation from practising physicians who are representative of and accountable to their colleagues.

## Impact of health care transformation

<https://policybase.cma.ca/en/permalink/policy9545>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism  
Health human resources  
Health systems, system funding and performance

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations, affiliates and associates to examine the impact of health care transformation on all aspects of physicians' practices, in a diverse range of settings; primary and specialty care, including the relationship between them; undergraduate and postgraduate education and continuing professional development; and health and health care services for patients.

## Mobility of physicians in Canada

<https://policybase.cma.ca/en/permalink/policy9560>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Ethics and medical professionalism Health human resources Health systems, system funding and performance
Resolution:	The Canadian Medical Association will work with provincial/territorial medical associations and the Federation of Medical Regulatory Authorities of Canada to develop a tracking database to monitor and assess the impact of mutual recognition of professional credentials on the mobility of physicians in Canada.

## Education of future physicians

<https://policybase.cma.ca/en/permalink/policy9562>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Ethics and medical professionalism Health human resources
Resolution:	The Canadian Medical Association with provincial/territorial medical associations, affiliates and associates will encourage medical schools to reinforce to medical students and residents the necessity for every physician to contribute to the education of future physicians.

## Scope-of-practice changes

<https://policybase.cma.ca/en/permalink/policy9567>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Ethics and medical professionalism Health human resources
Resolution:	The Canadian Medical Association will work with provincial/territorial medical associations, affiliates and associates to create a rapid process for consulting one another and other medical organizations when proposals for scope-of-practice changes are introduced by governments.

## Wait times and attention deficit/hyperactivity disorder

<https://policybase.cma.ca/en/permalink/policy9570>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Health systems, system funding and performance Health human resources
Resolution:	The Canadian Medical Association will work with provincial/territorial medical associations, affiliates, associates and other stakeholders to develop and implement wait-time benchmarks for health care services provided to patients with attention deficit/hyperactivity disorder.

## Canadian physician support trust

<https://policybase.cma.ca/en/permalink/policy9575>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism

Health human resources

Resolution: The Canadian Medical Association will establish a Canadian physician support trust to provide timely financial and personal support to physicians in need as a national program administered by the provincial/territorial medical associations.
