## Secure modes of electronic communication between patients and health care providers

<https://policybase.cma.ca/en/permalink/policy11230>

Policy Type: Policy resolution  
Date: 2014-Aug-20  
Topics: Health information and e-health  
Ethics and medical professionalism  
Resolution: The Canadian Medical Association supports the creation and use of secure modes of electronic communication between patients and health care providers.

## Big data and its negative impact on professionalism and the confidentiality of medical data

<https://policybase.cma.ca/en/permalink/policy11263>

Policy Type: Policy resolution  
Date: 2014-Aug-20  
Topics: Ethics and medical professionalism  
Health information and e-health  
Resolution: The Canadian Medical Association will propose guidelines to ensure optimal use of big data while limiting its negative impact on professionalism and the confidentiality of medical data.

## Insurance industry medical information requirements

<https://policybase.cma.ca/en/permalink/policy11275>

Policy Type: Policy resolution  
Date: 2014-Aug-20  
Topics: Health information and e-health  
Health care and patient safety  
Resolution: The Canadian Medical Association will work with the Canadian Life and Health Insurance Association to review insurance industry medical information requirements and ensure that the disclosure of personal health information is restricted to that which is reasonably necessary.
