

Fee for service

<https://policybase.cma.ca/en/permalink/policy602>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1985-Dec-14
Topics: Ethics and medical professionalism
Resolution: That charging the patient for services that are not benefits of the government medical insurance act is an ethical act.

Cost containment measures by governments

<https://policybase.cma.ca/en/permalink/policy711>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1985-Aug-25
Topics: Health systems, system funding and performance
Resolution: That the Canadian Medical Association urge all governments to withhold the application of such cost containment measures as global budgeting and capping.

Developing awareness of health care costs and restraints

<https://policybase.cma.ca/en/permalink/policy712>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1985-Aug-25
Topics: Health systems, system funding and performance
Resolution: That the Canadian Medical Association encourage the profession to work with other health and health related organizations, such as hospital associations and hospital trustees, to develop a greater public and political awareness of real health care costs and constraints.

Health care service economic indicators

<https://policybase.cma.ca/en/permalink/policy713>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1985-Aug-25
Topics:	Health systems, system funding and performance
Resolution:	That Canadian Medical Association, in cooperation with the divisions, develop appropriate economic indicators which, from the physician's perspective, reflect unit price changes of each major component making up the total bundle of health care services. This would include a hospital services price index and a physician services price index, adapted for comparison with other indices such as the consumer price index.

National health care database

<https://policybase.cma.ca/en/permalink/policy714>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1985-Aug-25
Topics:	Health information and e-health
Resolution:	The Canadian Medical Association recommends the development of a sound national health care database, accessible to health care professionals' associations and legitimate researchers.

Non-medicinal ingredients in drug products

<https://policybase.cma.ca/en/permalink/policy802>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1985-Aug-25
Topics:	Pharmaceuticals/ prescribing/ cannabis/ marijuana/ drugs
Resolution:	The Canadian Medical Association calls on Health Canada to facilitate the dissemination of information to health professionals and consumers concerning the presence, in drug products, of non-medicinal ingredients that can cause adverse reactions.

Disclosure of peer review committee proceedings

<https://policybase.cma.ca/en/permalink/policy803>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1985-Aug-25
Topics:	Health systems, system funding and performance Ethics and medical professionalism
Resolution:	That the Canadian Medical Association urge all provincial governments to adopt legislation which protects from disclosure, in legal actions, the proceedings of peer review committees evaluating and reviewing quality of care.

Preventive health program in schools

<https://policybase.cma.ca/en/permalink/policy804>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1985-Aug-25
Topics:	Population health/ health equity/ public health
Resolution:	The Canadian Medical Association encourages provincial/territorial medical associations and governments to support a preventive health program in schools, with particular regard to alcohol, drug, reproductive and mental health counseling.
