## License of the Medical Council of Canada (LMCC)

<https://policybase.cma.ca/en/permalink/policy516>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1992-Aug-19
Topics:	Physician practice/ compensation/ forms
Resolution:	That the Canadian Medical Association, while recognizing that the provincial/territorial licensing authorities have the ultimate authority regarding licensure requirements in their respective jurisdictions, wishes to reaffirm the principle that any rights and privileges that will be accorded to holders of the revised License of the Medical Council of Canada (LMCC) should be conferred on all physicians who completed their LMCC prior to the new requirements, including portability of eligibility for licensure.

## Goods and Services Tax (GST)

<https://policybase.cma.ca/en/permalink/policy619>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	1992-Aug-19
Topics:	Physician practice/ compensation/ forms
Resolution:	That the Canadian Medical Association, on behalf of its members and divisions and on the basis of its recent review of evidence on the impact of the Goods and Services Tax on Canadian physicians, continue its efforts to negotiate a tax rebate or such other arrangements so as to afford physicians the same fair treatment as is received by municipalities, universities, schools and hospitals.

## Canada Health Act

<https://policybase.cma.ca/en/permalink/policy621>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1992-Aug-19  
Topics: Health systems, system funding and performance  
Resolution: That the Canadian Medical Association continue to lobby the federal government with respect to its obligations under Section 12.2 of the Canada Health Act.

## Decentralization of health care planning and management

<https://policybase.cma.ca/en/permalink/policy622>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1992-Aug-19  
Topics: Health systems, system funding and performance  
Resolution: That the Canadian Medical Association continue to document decentralization of health planning/management initiatives and to provide the information necessary for members and divisions to have effective input into the development of decentralization policies and system management processes

## Breastfeeding and HIV

<https://policybase.cma.ca/en/permalink/policy737>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1992-Aug-19  
Topics: Population health/ health equity/ public health  
Health care and patient safety  
Resolution: Where safe alternatives exist, breast feeding should be avoided by mothers at high risk for HIV [human immunodeficiency virus] infection and by those known to be infected.

## Bicycle helmets

<https://policybase.cma.ca/en/permalink/policy738>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1992-Aug-19
Topics:	Population health/ health equity/ public health
Resolution:	a) That the Canadian Medical Association require the use of bicycle helmets at all activities that it sponsors or supports involving the use of bicycles, b) That the Canadian Medical Association recommend to its divisions that they require the use of bicycle helmets at all activities that they sponsor or support involving the use of bicycles.

## Diets of less than 900 Kcal

<https://policybase.cma.ca/en/permalink/policy740>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1992-Aug-19
Topics:	Population health/ health equity/ public health
Resolution:	That the Canadian Medical Association recommend that, since diets of less than 900 Kcal are rarely indicated, a) physicians prescribing such diets ensure that they are aware of their indications, contraindications, appropriate management protocols and risks, and b) physicians advise patients of potential complications and that an informed consent form be signed by prospective patients before prescribing such a diet.

## United Nations Convention on the Rights of the Child

<https://policybase.cma.ca/en/permalink/policy591>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1992-May-09
Topics:	Ethics and medical professionalism
Resolution:	That the Canadian Medical Association adopt as Canadian Medical Association policy the United Nations Convention on the Rights of the Child.

## Support services for sick and disabled members

<https://policybase.cma.ca/en/permalink/policy635>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1992-May-09
Topics:	Population health/ health equity/ public health
Resolution:	That the Canadian Medical Association work with the divisions in exploring options for financial and other support services for members whose employment status is affected as a result of disease and uninsurable as the result of disease or disability.

## Sensitivity to Canada's pluralistic society

<https://policybase.cma.ca/en/permalink/policy523>

Last Reviewed:	2017-Mar-04
Date:	1992-Mar-02
Topics:	Population health/ health equity/ public health
Resolution:	That the Canadian Association of School Health (CASH) statement on comprehensive school health be endorsed by the Canadian Medical Association.

## Provincial health advisory councils

<https://policybase.cma.ca/en/permalink/policy700>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1973-Jun-16
Topics:	Health systems, system funding and performance
Resolution:	That in each province there be established a health advisory council to advise government in matters relating to health facilities and provision of health care services throughout the province, and that on this council there be representation from the provincial division of the Canadian Medical Association.

## School health programmes

<https://policybase.cma.ca/en/permalink/policy779>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1973-Jun-16
Topics:	Population health/ health equity/ public health
Resolution:	The Canadian Medical Association and provincial/territorial medical associations shall lend support in stimulating initiation and improvement of school health.

## Programmes for drug addicts

<https://policybase.cma.ca/en/permalink/policy780>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1973-Jun-16
Topics:	Population health/ health equity/ public health
Resolution:	That the Canadian Medical Association favours the availability of multi-modal programmes to aid in dealing with the many faceted needs of the drug dependent population and taking into account the multi-drug use problem.

## Psycho-active substances and the operation of motor vehicles and industrial equipment

<https://policybase.cma.ca/en/permalink/policy781>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1973-Jun-16
Topics:	Pharmaceuticals/ prescribing/ cannabis/ marijuana/ drugs Population health/ health equity/ public health
Resolution:	That the membership of the Canadian Medical Association clearly inform its patients, and the general public at large, of the hazards associated with the operation of motor vehicles, industrial equipment, etc., while under the influence of psycho-active substances, especially alcohol and antihistamines, and particularly the combination of such substances.
