Family physicians

<https://policybase.cma.ca/en/permalink/policy9849>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 2010-Aug-25
Topics: Ethics and medical professionalism
Health human resources
Resolution: The Canadian Medical Association will promote the significant role that family physicians play in securing the sustainability of the health care system through patient attachment.

Multidisciplinary care initiatives

<https://policybase.cma.ca/en/permalink/policy9863>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Health systems, system funding and performance
Ethics and medical professionalism
Health human resources

Resolution: The Canadian Medical Association supports the development of multidisciplinary care initiatives that incorporate long-term, sustainable funding and resources that remove financial barriers to incorporating diverse allied health professionals within medical practices.

Compensation models

<https://policybase.cma.ca/en/permalink/policy9867>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Ethics and medical professionalism
Health human resources

Resolution: The Canadian Medical Association calls on governments to develop compensation models in partnership with provincial/territorial medical associations that address non-physician clinicians working under the supervision of a physician.

Data on physician human resources

<https://policybase.cma.ca/en/permalink/policy9868>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 2010-Aug-25
Topics: Health human resources
Health systems, system funding and performance
Resolution: The Canadian Medical Association will work with governments, provincial/territorial medical associations, affiliate and associate organizations, and other stakeholders to regularly analyse data on physician human resources in the context of changing information.

Rural and remote physicians and health research projects

<https://policybase.cma.ca/en/permalink/policy9887>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 2010-Aug-25
Topics: Health human resources
Health systems, system funding and performance
Resolution: The Canadian Medical Association will work in partnership with faculties of medicine, affiliate and associate organizations and other stakeholders to support initiatives, including access to funding that facilitate rural and remote physicians' capacity to lead and partake in health research projects and programs in their jurisdictions.

Application of evidence-based medicine

<https://policybase.cma.ca/en/permalink/policy9893>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Health human resources

Ethics and medical professionalism

Health systems, system funding and performance

Resolution: The Canadian Medical Association calls on the Association of Faculties of Medicine of Canada, faculties of medicine, College of Family Physicians of Canada and Royal College of Physicians and Surgeons of Canada to greatly expand efforts to familiarize medical students and residents with the application of evidence-based medicine, including systematic reviews, clinical practice guidelines, care pathways and related techniques to improve quality, safety and efficiency in medicine.

Distributed medical education (DME)

<https://policybase.cma.ca/en/permalink/policy9894>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Ethics and medical professionalism

Health human resources

Resolution: The Canadian Medical Association will work with the Canadian Association of Internes and Residents, Canadian Federation of Medical Students, all other relevant stakeholder organizations and governments to address challenges faced by students and residents engaged in distributed medical education (DME), particularly in rural and remote locations.

Presentation to The Standing Committee on the Status of Women

Pay for performance and quality measures in family medicine

<https://policybase.cma.ca/en/permalink/policy9511>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health human resources

Ethics and medical professionalism

Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association will develop a discussion paper on international experience and research related to pay for performance and quality measures in family medicine.

Training and support for physicians in addiction medicine

<https://policybase.cma.ca/en/permalink/policy9524>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health human resources
Pharmaceuticals/ prescribing/ cannabis/ marijuana/ drugs
Ethics and medical professionalism

Resolution: The Canadian Medical Association calls on national and provincial/territorial medical education and licensing bodies to expand training and support for physicians in addiction medicine, including formal recognition of special skills and improved training and support opportunities for primary care physicians.

Immunization of physicians and other health care providers

<https://policybase.cma.ca/en/permalink/policy9530>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Population health/ health equity/ public health
Ethics and medical professionalism
Health human resources

Resolution: The Canadian Medical Association encourages all physicians and other health care providers to be immunized for influenza annually.

Access to a family physician

<https://policybase.cma.ca/en/permalink/policy9534>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health human resources
Health systems, system funding and performance
Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations (PTMAs) to urge governments to collaborate with PTMAs in the implementation of a program that will identify and manage "orphan" patients who do not have access to a family physician.

Wait-time benchmarks for accessing home and community care services

<https://policybase.cma.ca/en/permalink/policy9535>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health systems, system funding and performance
Health human resources

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations, affiliates, associates and other stakeholders to develop and implement wait-time benchmarks for accessing home and community care services.

Change initiatives in health care

<https://policybase.cma.ca/en/permalink/policy9544>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism
Health systems, system funding and performance
Health human resources

Resolution: The Canadian Medical Association will incorporate in its Toward a Blueprint for Health Care Transformation: A Framework for Action a call on all levels of governments to ensure that change initiatives in health care be clinically driven from inception to implementation and include appropriate physician representation from practising physicians who are representative of and accountable to their colleagues.

Impact of health care transformation

<https://policybase.cma.ca/en/permalink/policy9545>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism
Health human resources
Health systems, system funding and performance

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations, affiliates and associates to examine the impact of health care transformation on all aspects of physicians' practices, in a diverse range of settings; primary and specialty care, including the relationship between them; undergraduate and postgraduate education and continuing professional development; and health and health care services for patients.

Mobility of physicians in Canada

<https://policybase.cma.ca/en/permalink/policy9560>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism

Health human resources

Health systems, system funding and performance

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations and the Federation of Medical Regulatory Authorities of Canada to develop a tracking database to monitor and assess the impact of mutual recognition of professional credentials on the mobility of physicians in Canada.

Education of future physicians

<https://policybase.cma.ca/en/permalink/policy9562>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism

Health human resources

Resolution: The Canadian Medical Association with provincial/territorial medical associations, affiliates and associates will encourage medical schools to reinforce to medical students and residents the necessity for every physician to contribute to the education of future physicians.

Scope-of-practice changes

<https://policybase.cma.ca/en/permalink/policy9567>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Ethics and medical professionalism Health human resources
Resolution:	The Canadian Medical Association will work with provincial/territorial medical associations, affiliates and associates to create a rapid process for consulting one another and other medical organizations when proposals for scope-of-practice changes are introduced by governments.

Wait times and attention deficit/hyperactivity disorder

<https://policybase.cma.ca/en/permalink/policy9570>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Health systems, system funding and performance Health human resources
Resolution:	The Canadian Medical Association will work with provincial/territorial medical associations, affiliates, associates and other stakeholders to develop and implement wait-time benchmarks for health care services provided to patients with attention deficit/hyperactivity disorder.
