Date: 2009-Aug-19

Topics: Health systems, system funding and performance  
Health human resources

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations, affiliates, associates and other stakeholders to develop and implement wait-time benchmarks for accessing home and community care services.

## Change initiatives in health care

<https://policybase.cma.ca/en/permalink/policy9544>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism  
Health systems, system funding and performance  
Health human resources

Resolution: The Canadian Medical Association will incorporate in its Toward a Blueprint for Health Care Transformation: A Framework for Action a call on all levels of governments to ensure that change initiatives in health care be clinically driven from inception to implementation and include appropriate physician representation from practising physicians who are representative of and accountable to their colleagues.

## Impact of health care transformation

<https://policybase.cma.ca/en/permalink/policy9545>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism  
Health human resources  
Health systems, system funding and performance

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations, affiliates and associates to examine the impact of health care transformation on all aspects of physicians' practices, in a diverse range of settings; primary and specialty care, including the relationship between them; undergraduate and postgraduate education and continuing professional development; and health and health care services for patients.

## Mobility of physicians in Canada

<https://policybase.cma.ca/en/permalink/policy9560>
