

Primary care renewal

<https://policybase.cma.ca/en/permalink/policy110>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2003-Aug-20

Topics: Health systems, system funding and performance

Resolution: GC03-23

That Canadian Medical Association strongly advocate to federal/provincial/territorial governments and their agents that any new policy on primary care renewal/reform be based on evidence from valid studies that are formally, independently and objectively evaluated through pilot projects.
