

## Non-prescription availability of low-dose codeine products

<https://policybase.cma.ca/en/permalink/policy13734>

Policy Type: Response to consultation

Date: 2017-Nov-7

Topics: Pharmaceuticals/ prescribing/ cannabis/ marijuana/ drugs

### Documents

The image shows a thumbnail of a PDF document cover page, identical to the one in the left sidebar. It includes the title "CMA Submission: Non-Prescription Availability of Low-Dose Codeine Products", the subtitle "Submission to the Health Canada consultation on the potential risks, benefits and impacts of changes to the regulations to the Controlled Drugs and Substances Act that would require all products containing codeine to be sold by prescription only", the date "November 7, 2017", and logos for the Canadian Medical Association and the number "150".
