

## Cost containment measures by governments

<https://policybase.cma.ca/en/permalink/policy711>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 1985-Aug-25

Topics: Health systems, system funding and performance

Resolution: GC85-41

That the Canadian Medical Association urge all governments to withhold the application of such cost containment measures as global budgeting and capping.
