April 19, 2013  
The Honourable James K. Flaherty, MP  
Minister of Finance  
House of Commons  
Ottawa, Ontario K1P 5G6

Dear Minister:

On behalf of the Canadian Medical Association (CMA), I would like to thank you for your letter of April 11, 2013 regarding the proposed budget for the 2013-14 fiscal year.

While I understand the government's need to reduce the deficit, the federal government has a duty to ensure that the health care system remains accessible and of high quality for all Canadians. This is a fundamental principle of the Canadian Charter of Rights and Freedoms.

The CMA has been observing the implementation of various measures that have been announced by the government in the past few years. We believe that the government's approach to health care funding is not consistent with its obligations under the Charter and the Access to Health Care Act.

The CMA has been observing the implementation of various measures that have been announced by the government in the past few years. We believe that the government's approach to health care funding is not consistent with its obligations under the Charter and the Access to Health Care Act.
