Policy Type: Policy resolution

Date: 2015-Aug-26

Topics: Population health/ health equity/ public health  
Ethics and medical professionalism

Resolution: GC15-34

The Canadian Medical Association encourages increased education and training in end- of-life care for community health care workers.

## Accredited standards for the management of life-limiting chronic disease

<https://policybase.cma.ca/en/permalink/policy11636>

Policy Type: Policy resolution

Date: 2015-Aug-26

Topics: Population health/ health equity/ public health  
Ethics and medical professionalism

Resolution: GC15-38

The Canadian Medical Association supports the development and application of accredited standards for the integration of a palliative care approach into the management of life-limiting chronic disease.

## Preventing torture around the world

<https://policybase.cma.ca/en/permalink/policy11658>

Policy Type: Policy resolution  
Date: 2015-Aug-26  
Topics: Health care and patient safety  
Ethics and medical professionalism  
Resolution: GC15-79

The Canadian Medical Association urges the federal government to prevent torture around the world by allowing third party investigators, including medical professionals, to examine and review detention centres.

## Increased knowledge amongst physicians in the practice of trauma-informed care

<https://policybase.cma.ca/en/permalink/policy11667>

Policy Type: Policy resolution  
Date: 2015-Aug-26  
Topics: Population health/ health equity/ public health  
Ethics and medical professionalism  
Resolution: GC15-88

The Canadian Medical Association promotes increased knowledge amongst physicians in the practice of trauma-informed care.

## Truth and Reconciliation Commission of Canada

<https://policybase.cma.ca/en/permalink/policy11739>

Policy Type: Policy resolution  
Date: 2015-May-30  
Topics: Ethics and medical professionalism  
Population health/ health equity/ public health  
Resolution: BD15-06-232

The Canadian Medical Association acknowledges the completion of the important work of the Truth and Reconciliation Commission of Canada and the importance of recognizing and not forgetting the terrible impact that the residential school system has had and, as a consequence of ongoing intergenerational trauma, continues to have on the health of many First Nations, Inuit and Metis People of Canada.

## Physician engagement in palliative care

<https://policybase.cma.ca/en/permalink/policy11748>

Policy Type: Policy resolution  
Date: 2015-May-30  
Topics: Ethics and medical professionalism  
Population health/ health equity/ public health  
Resolution: BD15-06-209

The Canadian Medical Association adopts, in principle, the recommendations for physician engagement in palliative care as set out in the report, Palliative Care: CMA National Call to Action as outlined in Appendix A to EX 15-21, as amended.

## Charter for Patient-centred Care

Date: 2010-Aug-25  
Topics: Ethics and medical professionalism  
Population health/ health equity/ public health  
Resolution: GC10-15  
The Canadian Medical Association will work with provincial/territorial medical associations, patient advocacy groups and other medical and health organizations to further develop the elements of the Charter for Patient-centred Care.

## Social determinants of health

<https://policybase.cma.ca/en/permalink/policy9878>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 2010-Aug-25  
Topics: Population health/ health equity/ public health  
Ethics and medical professionalism  
Resolution: GC10-61  
The Canadian Medical Association recognizes the importance of the social determinants of health and will incorporate them into its continued work to support a healthy population.

## Online continuing medical education

<https://policybase.cma.ca/en/permalink/policy9892>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 2010-Aug-25  
Topics: Population health/ health equity/ public health  
Ethics and medical professionalism  
Health information and e-health

Resolution: GC10-69  
The Canadian Medical Association, in collaboration with provincial/territorial medical associations, calls on governments to ensure that the necessary technology is in place to guarantee that physicians in rural and remote locations have access to accredited online continuing medical education/continuing professional development.

## Antibiotic resistant organisms in humans

<https://policybase.cma.ca/en/permalink/policy9902>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 2010-Aug-25  
Topics: Population health/ health equity/ public health  
Ethics and medical professionalism  
Health care and patient safety

Resolution: GC10-79  
The Canadian Medical Association, in collaboration with provincial/territorial medical associations, will work with Health Canada and the Public Health Agency of Canada to investigate the agriculture-related release of antibiotic resistant organisms and residual antibiotics into earth and water ecosystems, as well as the role they play in the emergence of antibiotic resistant organisms in humans.
