Resolution:	BD96-04-98

That the Canadian Medical Association endorse the definition of reproductive health as specified in Section 96, page 36 of the United Nations' Fourth World Conference on Women, Beijing 1995, Platform for Action document. [The human rights of women include their right to have control over and decide freely and responsibly on matters related to their sexuality, including sexual and reproductive health, free of coercion, discrimination and violence. Equal relationships between women and men in matters of sexual relations and reproduction, including full respect for the integrity of the person, require mutual respect, consent and shared responsibility for sexual behaviour and its consequences.]

Physicians and the management of medical services
