Health information and e-health
Ethics and medical professionalism

Resolution: GC09-17

The Canadian Medical Association and provincial/territorial medical associations call on governments to engage patients and the public in the development of a patient bill of health information rights that sets out a vision for the governance of patient health information.

Electronic health records

Topics: Ethics and medical professionalism
Health information and e-health
Health care and patient safety

Resolution: GC09-47

The Canadian Medical Association will work with provincial/territorial medical associations to demand that governments recognize that the flow of information from the patient record to the electronic health records is the professional responsibility of physicians.
