Topics: Ethics and medical professionalism  
Health information and e-health  
Health care and patient safety

Resolution: GC09-47

The Canadian Medical Association will work with provincial/territorial medical associations to demand that governments recognize that the flow of information from the patient record to the electronic health records is the professional responsibility of physicians.

## Access to medical information

<https://policybase.cma.ca/en/permalink/policy9280>

Policy Type: Policy resolution

Last Reviewed: 2020-02-29

Topics: Ethics and medical professionalism

Health information and e-health

Resolution: GC08-113

The Canadian Medical Association objects to the current practice of insurers, employers and other third parties requesting and gaining access to unlimited medical information obtained as a result of patients signing forms that grant unrestricted 'consent for release of medical information' when claiming eligibility for disability benefits.

## Medical information
