

Academic writing and editing among practicing physicians and physicians-in-training

<https://policybase.cma.ca/en/permalink/policy11627>

Policy Type: Policy resolution

Date: 2015-Aug-26

Topics: Physician practice/ compensation/ forms
Ethics and medical professionalism

Health systems, system funding and performance

Resolution: The Canadian Medical Association will promote the development of resources to foster academic writing and editing among practicing physicians and physicians-in-training.

Access for women to the medical services required to terminate a pregnancy

<https://policybase.cma.ca/en/permalink/policy9284>

Policy Type: Policy resolution

Last Reviewed: 2015-Feb-28

Date: 2008-Aug-20

Topics: Ethics and medical professionalism
Health care and patient safety

Resolution: The Canadian Medical Association opposes the adoption of Bill C-484 and of any legislation that would result in compromising access for women to the medical services required to terminate a pregnancy.

Accessible, comprehensive and high-quality care for transgender patients

<https://policybase.cma.ca/en/permalink/policy11227>

Policy Type: Policy resolution
Date: 2014-Aug-20
Topics: Health systems, system funding and performance
Ethics and medical professionalism
Resolution: The Canadian Medical Association calls for accessible, comprehensive and high-quality care for transgender patients.

Access to medical information

<https://policybase.cma.ca/en/permalink/policy9280>

Policy Type: Policy resolution
Last Reviewed: 2015-Feb-28
Date: 2008-Aug-20
Topics: Ethics and medical professionalism
Health information and e-health
Resolution: The Canadian Medical Association objects to the current practice of insurers, employers and other third parties requesting and gaining access to unlimited medical information obtained as a result of patients signing forms that grant unrestricted 'consent for release of medical information' when claiming eligibility for disability benefits.

Accountability standards

<https://policybase.cma.ca/en/permalink/policy10860>

Policy Type:	Policy resolution
Date:	2013-Aug-21
Topics:	Health systems, system funding and performance Physician practice/ compensation/ forms Ethics and medical professionalism
Resolution:	The Canadian Medical Association supports the development of data on health care delivery and patient outcomes to help the medical profession develop an appropriateness framework and associated accountability standards provided that patient and physician confidentiality is maintained.

Accreditation Standards for Continuing Medical Education

<https://policybase.cma.ca/en/permalink/policy9379>

Policy Type:	Policy resolution
Last Reviewed:	2015-Feb-28
Date:	2008-Oct-04
Topics:	Ethics and medical professionalism Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association commends the rigorous accreditation standards for continuing medical education (CME) adopted by the Royal College of Physicians and Surgeons of Canada and the College of Family Physicians of Canada and supports constant vigilance to ensure that the content of accredited CME events is consistent with the best available scientific information and ethically sound practice.
