Population health/ health equity/ public health
Resolution: GC10-15
The Canadian Medical Association will work with provincial/territorial medical associations, patient advocacy groups and other medical and health organizations to further develop the elements of the Charter for Patient-centred Care.

Collaborative development of patient-focused funding initiatives

<https://policybase.cma.ca/en/permalink/policy9844>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 2010-Aug-25
Topics: Ethics and medical professionalism
Health systems, system funding and performance
Resolution: GC10-12
The Canadian Medical Association will work with provincial/territorial medical associations to ensure meaningful consultations by governments with physicians who are accountable to the medical profession in the collaborative development of patient-focused funding initiatives.

Multidisciplinary care initiatives

<https://policybase.cma.ca/en/permalink/policy9863>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Health systems, system funding and performance
Ethics and medical professionalism
Health human resources

Resolution: GC10-33

The Canadian Medical Association supports the development of multidisciplinary care initiatives that incorporate long-term, sustainable funding and resources that remove financial barriers to incorporating diverse allied health professionals within medical practices.

Online continuing medical education
