Health systems, system funding and performance

Resolution: GC10-70

The Canadian Medical Association calls on the Association of Faculties of Medicine of Canada, faculties of medicine, College of Family Physicians of Canada and Royal College of Physicians and Surgeons of Canada to greatly expand efforts to familiarize medical students and residents with the application of evidence-based medicine, including systematic reviews, clinical practice guidelines, care pathways and related techniques to improve quality, safety and efficiency in medicine.

Charter for Patient-centred Care

<https://policybase.cma.ca/en/permalink/policy9847>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 2010-Aug-25
Topics: Ethics and medical professionalism
Population health/ health equity/ public health
Resolution: GC10-15
The Canadian Medical Association will work with provincial/territorial medical associations, patient advocacy groups and other medical and health organizations to further develop the elements of the Charter for Patient-centred Care.

Collaborative development of patient-focused funding initiatives

<https://policybase.cma.ca/en/permalink/policy9844>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 2010-Aug-25
Topics: Ethics and medical professionalism
Health systems, system funding and performance
Resolution: GC10-12
The Canadian Medical Association will work with provincial/territorial medical associations to ensure meaningful consultations by governments with physicians who are accountable to the medical profession in the collaborative development of patient-focused funding initiatives.

Disclosure of peer review committee proceedings

<https://policybase.cma.ca/en/permalink/policy803>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 1985-Aug-25

Topics: Health systems, system funding and performance
Ethics and medical professionalism

Resolution: GC85-35

That the Canadian Medical Association urge all provincial governments to adopt legislation which protects from disclosure, in legal actions, the proceedings of peer review committees evaluating and reviewing quality of care.
