

Adverse events

<https://policybase.cma.ca/en/permalink/policy9574>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism
Health care and patient safety

Resolution: The Canadian Medical Association, while recognizing the importance of disclosing adverse events to affected patients in a timely manner, recommends that regional health authorities, institutions and professional associations develop policies to ensure the confidentiality of medical quality assurance deliberation, unless public notification is required to mitigate any possibility of ongoing harm.

Canadian physician support trust

<https://policybase.cma.ca/en/permalink/policy9575>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism
Health human resources

Resolution: The Canadian Medical Association will establish a Canadian physician support trust to provide timely financial and personal support to physicians in need as a national program administered by the provincial/territorial medical associations.

Change initiatives in health care

<https://policybase.cma.ca/en/permalink/policy9544>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism
Health systems, system funding and performance
Health human resources

Resolution: The Canadian Medical Association will incorporate in its Toward a Blueprint for Health Care Transformation: A Framework for Action a call on all levels of governments to ensure that change initiatives in health care be clinically driven from inception to implementation and include appropriate physician representation from practising physicians who are representative of and accountable to their colleagues.

Compensation ceilings for GP's and access to front-line services

<https://policybase.cma.ca/en/permalink/policy1524>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2004-Aug-18

Topics: Ethics and medical professionalism
Health human resources
Health systems, system funding and performance
Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association recommends that compensation ceilings for general practitioners where they exist be removed in order to improve access to front-line services.

Education of future physicians

<https://policybase.cma.ca/en/permalink/policy9562>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism

Health human resources

Resolution: The Canadian Medical Association with provincial/territorial medical associations, affiliates and associates will encourage medical schools to reinforce to medical students and residents the necessity for every physician to contribute to the education of future physicians.

Electronic health records

<https://policybase.cma.ca/en/permalink/policy9543>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism

Health information and e-health

Health care and patient safety

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations to demand that governments recognize that the flow of information from the patient record to the electronic health records is the professional responsibility of physicians.

Family physicians and hospital affiliation

<https://policybase.cma.ca/en/permalink/policy1502>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2004-Aug-18

Topics: Ethics and medical professionalism

Health human resources

Health systems, system funding and performance

Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association calls on the federal, provincial and territorial governments to work together with the Association and its divisions and affiliates to develop initiatives that are incentive based to encourage family physicians to retain hospital affiliation and provide hospital care in supporting the provision of the full continuum of primary care to patients.

Front-line care providers in epidemics

<https://policybase.cma.ca/en/permalink/policy9571>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health care and patient safety

Physician practice/ compensation/ forms

Ethics and medical professionalism

Resolution: The Canadian Medical Association, provincial/territorial medical associations, affiliates and associates urge governments to ensure that front-line care providers in practice and training are provided with adequate information, resources (including ventilators, masks, gloves, medications and vaccines) and personal and family disability and life insurance if performing clinical duties in the context of an epidemic or other public health emergency.
