

Access to medical information

<https://policybase.cma.ca/en/permalink/policy9280>

Policy Type: Policy resolution
Last Reviewed: 2020-Feb-29
Date: 2008-Aug-20
Topics: Ethics and medical professionalism
Health information and e-health
Resolution: GC08-113

The Canadian Medical Association objects to the current practice of insurers, employers and other third parties requesting and gaining access to unlimited medical information obtained as a result of patients signing forms that grant unrestricted 'consent for release of medical information' when claiming eligibility for disability benefits.

Amendments to PIPEDA, Bill S-4

Big data and its negative impact on professionalism and the confidentiality of medical data

<https://policybase.cma.ca/en/permalink/policy11263>

Policy Type: Policy resolution

Date: 2014-Aug-20

Topics: Ethics and medical professionalism

Health information and e-health

Resolution: GC14-67

The Canadian Medical Association will propose guidelines to ensure optimal use of big data while limiting its negative impact on professionalism and the confidentiality of medical data.

Electronic health records

<https://policybase.cma.ca/en/permalink/policy9543>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism

Health information and e-health

Health care and patient safety

Resolution: GC09-47

The Canadian Medical Association will work with provincial/territorial medical associations to demand that governments recognize that the flow of information from the patient record to the electronic health records is the professional responsibility of physicians.

Medical information

<https://policybase.cma.ca/en/permalink/policy9281>

Policy Type: Policy resolution

Last Reviewed: 2020-Feb-29

Date: 2008-Aug-20

Topics: Ethics and medical professionalism
Health information and e-health
Health systems, system funding and performance

Resolution: GC08-114

The Canadian Medical Association and provincial/territorial medical associations will seek legislative amendments that make the requesting third party responsible for payment for the provision of medical information collected (with patient understanding and consent) for the purposes of a return to work program or accommodation in the workplace.

Patient bill of health information rights

<https://policybase.cma.ca/en/permalink/policy9498>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health care and patient safety
Health information and e-health
Ethics and medical professionalism

Resolution: GC09-17

The Canadian Medical Association and provincial/territorial medical associations call on governments to engage patients and the public in the development of a patient bill of health information rights that sets out a vision for the governance of patient health information.

Secure modes of electronic communication between patients and health care providers

<https://policybase.cma.ca/en/permalink/policy11230>

Policy Type: Policy resolution

Date: 2014-Aug-20

Topics: Health information and e-health
Ethics and medical professionalism

Resolution: GC14-41

The Canadian Medical Association supports the creation and use of secure modes of electronic communication between patients and health care providers.
