Health care and patient safety

Resolution: GC10-84

The Canadian Medical Association will work with provincial/territorial medical associations, affiliate and associate organizations, and other stakeholders to further develop educational materials for primary care providers and women on the importance of pre-pregnancy and early-pregnancy health, and early access to comprehensive pregnancy care.

Antibiotic resistant organisms in humans

Health care and patient safety

Resolution: GC10-79

The Canadian Medical Association, in collaboration with provincial/territorial medical associations, will work with Health Canada and the Public Health Agency of Canada to investigate the agriculture-related release of antibiotic resistant organisms and residual antibiotics into earth and water ecosystems, as well as the role they play in the emergence of antibiotic resistant organisms in humans.

All-terrain vehicles

Resolution: GC89-46

That the Canadian Medical Association recommend: a) that the federal departments of transport and consumer and corporate affairs enact legislation for the purpose of setting national safety standards for all-terrain vehicles, b) that provincial governments be urged to review and strengthen regulations related to the use of all-terrain vehicles, c) that provincial governments be urged to introduce a specific driver's licence category for all-terrain vehicle drivers; such licence would require demonstrating competence in handling the vehicle.
