

Preventing torture around the world

<https://policybase.cma.ca/en/permalink/policy11658>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Health care and patient safety
Ethics and medical professionalism
Resolution: GC15-79

The Canadian Medical Association urges the federal government to prevent torture around the world by allowing third party investigators, including medical professionals, to examine and review detention centres.

Patient bill of health information rights

<https://policybase.cma.ca/en/permalink/policy9498>

Policy Type: Policy resolution
Last Reviewed: 2016-May-20
Date: 2009-Aug-19
Topics: Health care and patient safety
Health information and e-health
Ethics and medical professionalism
Resolution: GC09-17

The Canadian Medical Association and provincial/territorial medical associations call on governments to engage patients and the public in the development of a patient bill of health information rights that sets out a vision for the governance of patient health information.

Pets on airplanes

Topics: Ethics and medical professionalism

Health information and e-health

Health care and patient safety

Resolution: GC09-47

The Canadian Medical Association will work with provincial/territorial medical associations to demand that governments recognize that the flow of information from the patient record to the electronic health records is the professional responsibility of physicians.

Front-line care providers in epidemics

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism

Health care and patient safety

Resolution: GC09-88

The Canadian Medical Association, while recognizing the importance of disclosing adverse events to affected patients in a timely manner, recommends that regional health authorities, institutions and professional associations develop policies to ensure the confidentiality of medical quality assurance deliberation, unless public notification is required to mitigate any possibility of ongoing harm.

Sharing patient health information

<https://policybase.cma.ca/en/permalink/policy9576>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Ethics and medical professionalism

Health care and patient safety

Resolution: GC09-113

The Canadian Medical Association urges the Canada Revenue Agency to collaborate with Service Canada and Human Resources and Skills Development Canada to reduce redundant requests by sharing relevant patient health information, while at the same time respecting the privacy and confidentiality of patient records.
