Resolution: GC89-46

That the Canadian Medical Association recommend: a) that the federal departments of transport and consumer and corporate affairs enact legislation for the purpose of setting national safety standards for all-terrain vehicles, b) that provincial governments be urged to review and strengthen regulations related to the use of all-terrain vehicles, c) that provincial governments be urged to introduce a specific driver's licence category for all-terrain vehicle drivers; such licence would require demonstrating competence in handling the vehicle.

Breast-feeding mothers

Resolution: GC83-30

Be it resolved that the Canadian Medical Association recommend that breast-feeding mothers consult their physician two weeks post partum especially if they are breast-feeding for the first time; and be it further resolved that the CMA support: a) the provision of a physical environment in maternity units favourable to the initiation and continuation of successful breast-feeding; and b) the adoption of measures to facilitate the continuation of breast-feeding for women working outside the home.
