## Action to decrease family violence and the maltreatment of children

<https://policybase.cma.ca/en/permalink/policy11240>

Policy Type: Policy resolution  
Date: 2014-08-20  
Topics: Health care and patient safety  
Resolution: GC14-44  
The Canadian Medical Association supports action to decrease family violence and the maltreatment of children.

## Addiction

<https://policybase.cma.ca/en/permalink/policy9527>

Policy Type: Policy resolution

Last Reviewed: 2016-05-20

Date: 2009-08-19

Topics: Health care and patient safety

Population health/ health equity/ public health

Resolution: GC09-92

The Canadian Medical Association recognizes addiction as a chronic, treatable disease and urges that it be included in national and provincial/territorial efforts to improve chronic disease management.

## Adverse events

<https://policybase.cma.ca/en/permalink/policy9574>

Policy Type: Policy resolution

Last Reviewed: 2016-05-20

Date: 2009-08-19

Topics: Ethics and medical professionalism

Health care and patient safety

Resolution: GC09-88

The Canadian Medical Association, while recognizing the importance of disclosing adverse events to affected patients in a timely manner, recommends that regional health authorities, institutions and professional associations develop policies to ensure the confidentiality of medical quality assurance deliberation, unless public notification is required to mitigate any possibility of ongoing harm.

## Air pollution

<https://policybase.cma.ca/en/permalink/policy8891>

Policy Type: Policy resolution  
Last Reviewed: 2014-03-01  
Date: 2007-08-22  
Topics: Health care and patient safety  
Population health/ health equity/ public health  
Resolution: GC07-76

The Canadian Medical Association urges the federal government to improve the quality of the air that Canadians breathe by strengthening initiatives to reduce domestic air pollution emissions and advocating strongly for emission reductions in bordering American states.

## All-terrain vehicles

<https://policybase.cma.ca/en/permalink/policy719>

Policy Type: Policy resolution  
Last Reviewed: 2014-03-01  
Date: 1989-08-23  
Topics: Health care and patient safety  
Population health/ health equity/ public health  
Resolution: GC89-46

That the Canadian Medical Association recommend: a) that the federal departments of transport and consumer and corporate affairs enact legislation for the purpose of setting national safety standards for all-terrain vehicles, b) that provincial governments be urged to review and strengthen regulations related to the use of all-terrain vehicles, c) that provincial governments be urged to introduce a specific driver's licence category for all-terrain vehicle drivers; such licence would require demonstrating competence in handling the vehicle.
