

## Alternate level of care

<https://policybase.cma.ca/en/permalink/policy9222>

Policy Type: Policy resolution

Last Reviewed: 2015-Feb-28

Date: 2008-Aug-20

Topics: Health care and patient safety

Health systems, system funding and performance

Resolution: The Canadian Medical Association and provincial/territorial medical associations advocate for a management strategy for patients requiring an alternate level of care that alleviates the pressure on acute care hospital resources.

## Clinical tests and interventions

<https://policybase.cma.ca/en/permalink/policy10857>

Policy Type: Policy resolution  
Date: 2013-Aug-21  
Topics: Health systems, system funding and performance  
Health care and patient safety  
Resolution: The Canadian Medical Association will form a collaborative working group to develop specialty-specific lists of clinical tests/interventions and procedures for which benefits have generally not been shown to exceed the risks.

## Community housing for the mentally ill

<https://policybase.cma.ca/en/permalink/policy50>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2002-Aug-21

Topics: Health care and patient safety

Health systems, system funding and performance

Resolution: That Canadian Medical Association call on the federal, provincial and territorial governments to adopt strategies to deal with the current absence of an adequate network of community housing for the chronically mentally ill, including adequate resources, coordination and appropriate supervision of standards.

## Continuum of care

<https://policybase.cma.ca/en/permalink/policy8844>

Policy Type: Policy resolution

Last Reviewed: 2014-Mar-01

Date: 2007-Aug-22

Topics: Population health/ health equity/ public health  
Health systems, system funding and performance  
Health care and patient safety

Resolution: The Canadian Medical Association believes that the issue of the continuum of care must go beyond the question of financing and tackle questions related to the organisation of medicine and to the shared and joint responsibilities of individuals, communities and governments in matters of health care and promotion, prevention and rehabilitation.

## Cost of neuropsychological assessments

<https://policybase.cma.ca/en/permalink/policy11912>

Policy Type: Policy resolution

Date: 2016-Aug-24

Topics: Health care and patient safety  
Health systems, system funding and performance

Resolution: The Canadian Medical Association supports inclusion of the cost of neuropsychological assessments of all patients suspected of fetal alcohol spectrum disorder as an insured-benefit.
