

Community housing for the mentally ill

<https://policybase.cma.ca/en/permalink/policy50>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2002-Aug-21

Topics: Health care and patient safety
Health systems, system funding and performance

Resolution: That Canadian Medical Association call on the federal, provincial and territorial governments to adopt strategies to deal with the current absence of an adequate network of community housing for the chronically mentally ill, including adequate resources, coordination and appropriate supervision of standards.

Involving patients in the health care system transformation process

<https://policybase.cma.ca/en/permalink/policy9549>

Policy Type: Policy resolution
Last Reviewed: 2016-May-20
Date: 2009-Aug-19
Topics: Health systems, system funding and performance
Health care and patient safety
Resolution: The Canadian Medical Association believes that it is essential to involve patients in the health care system transformation process and will adjust its communication strategies accordingly.

Publicly funded health care in Canada

<https://policybase.cma.ca/en/permalink/policy9513>

Policy Type: Policy resolution
Last Reviewed: 2016-May-20
Date: 2009-Aug-19
Topics: Health systems, system funding and performance
Health care and patient safety
Resolution: The Canadian Medical Association, in collaboration with provincial/territorial medical associations, calls on governments and health authorities to examine internal market mechanisms, which could include a role for the private sector, in the delivery of publicly funded health care in Canada.
