All-terrain vehicles

<https://policybase.cma.ca/en/permalink/policy719>

Policy Type:	Policy resolution
Last Reviewed:	2014-Mar-01
Date:	1989-Aug-23
Topics:	Health care and patient safety Population health/ health equity/ public health
Resolution:	That the Canadian Medical Association recommend: a) that the federal departments of transport and consumer and corporate affairs enact legislation for the purpose of setting national safety standards for all-terrain vehicles, b) that provincial governments be urged to review and strengthen regulations related to the use of all-terrain vehicles, c) that provincial governments be urged to introduce a specific driver's licence category for all-terrain vehicle drivers; such licence would require demonstrating competence in handling the vehicle.

Breast-feeding mothers

<https://policybase.cma.ca/en/permalink/policy1748>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	1983-Oct-01
Topics:	Health care and patient safety
Resolution:	Be it resolved that the Canadian Medical Association recommend that breast-feeding mothers consult their physician two weeks post partum especially if they are breast-feeding for the first time; and be it further resolved that the CMA support: a) the provision of a physical environment in maternity units favourable to the initiation and continuation of successful breast-feeding; and b) the adoption of measures to facilitate the continuation of breast-feeding for women working outside the home.
