 Health care and patient safety

Resolution: GC10-84

The Canadian Medical Association will work with provincial/territorial medical associations, affiliate and associate organizations, and other stakeholders to further develop educational materials for primary care providers and women on the importance of pre-pregnancy and early-pregnancy health, and early access to comprehensive pregnancy care.

## Health risks associated with tanning facilities

<https://policybase.cma.ca/en/permalink/policy9880>

Policy Type: Policy resolution  
Last Reviewed: 2017-03-04  
Date: 2010-08-25  
Topics: Health care and patient safety  
Resolution: GC10-82

The Canadian Medical Association, in collaboration with provincial/territorial medical associations, will call on governments to strengthen labelling requirements on tanning equipment and require signage in tanning facilities that outlines the carcinogenic potential and overall health risks associated with tanning facilities.

## Installation of automatic external defibrillators in public facilities

<https://policybase.cma.ca/en/permalink/policy9884>

Policy Type: Policy resolution
